LIBRARY SETS NEW HIGH MARK ON BOOK LOANS

For the first time since the Adams County Free Library opened nearly eight years ago, book loans for a single month went over the 17,500-mark last month, members of the board of directors of the library learned Friday evening in reports presented at their April meeting.

Mrs. Mary S. Wilson, county librarian, presented her monthly report showing 17,635 book loans last month. March's volume of loans topped that for February which had set a new record with 17,017 loans. The March figure shows a considerable increase over the 14,174 loans reported in March of last year.

Later in the meeting the board discussed steps for further increasing the use of the library by the public. A new book station has been opened at the home of Mrs. Charles B. Tilton at Flora Dale and the board talked over the possibility of re-opening a Biglerville branch of the library.

Aquith Presides
A large part of the circulation of the library is in loans to juveniles. Of March's total of 17,635 loans, 16,037 were to young people and 14,161 of those loans were made through the school stations served by the library's bookmobile.

Vice President Dean Aquith, Biglerville, presided at the meeting. The gift of a book on woodworking by Philip R. Bickle in memory of Dr. George R. Miller was announced.

It was announced also that an additional table and chair are being provided for the recently-redecorated staff room at the library by Dr. and Mrs. W. R. Sammel.

The board received with regret a letter from L. C. Taylor, Benderville, informing them he had submitted his resignation as a library director to the county commissioners. His position has not yet been filled.

The directors decided on a cleaning schedule for the library to be handled by the McDonald Company.

The next board meeting will be held May 8.

Sign Historic Agreement On Prisoner Exchange; May Pave Way For Armistice In Korea

MUNSAN (AP)—The Allies and Communists today signed an historic agreement for the first formal exchange of disabled captives of the Korean War and the Reds pressed impatiently for a quick renewal of the full-scale armistice negotiations.

The Communists agreed to return 600 sick and wounded prisoners including 120 Americans and the Allies pledged to give up 5,800 North Koreans and Chinese.

The first of these may begin the journey home as early as next Wednesday.

Deadlocked A Year
The agreement may have paved the way for armistice in Korea. The truce talks have been deadlocked for a year and suspended since Oct. 8 over the last big issue of exchanging war prisoners. The Reds had insisted on the return of all their captured soldiers. The Allies refused to return anyone to Communist rule against his will.

FIRST NATIONAL BANK OBSERVES 96TH BIRTHDAY

The First National Bank of Gettysburg, founded in 1857, observes its 96th birthday today. Edmund W. Thomas, president, said no formal "birthday party" was planned, the bank and its officers setting their sights on the celebration of the 100th anniversary in 1957.

From its inception as the Farmers and Mechanics Savings Institution of Gettysburg, the bank has progressed steadily, particularly in the years since 1900, surviving several "depressions," to a base of total resources as of December 31, 1952, of \$6,480,480.36, exclusive of \$1,000,000 in trust assets.

Its founder and first president was George Thorne. The bank was refused its first application for a charter from the state legislature, and it was not until the bank had been in operation for a year that one was granted. Mr. Thorne operating his institution without a charter for this length of time.

Given National Charter

The national banking act was passed on February 25, 1863, and on July 20 of that year the first national charter was granted to the First National Bank of Philadelphia. STUDENT SAYS WAY OF LIFE IN INDIA CHANGES

"Our western civilization is, little by little, changing the way of life in the lethargic land known as India," declared Eugene Irishick, Gettysburg College student, at a meeting of the Gettysburg Chapter of the Daughters of the American Revolution Friday afternoon at the home of Mrs. L. S. Long, "Long-View," on the Biglerville Rd.

The speaker, son of American missionaries, who has lived 14 of his 19 years in India, described the way of life there through a series of anecdotes. He said he is aware of the fact that many of the people in the small villages had never heard the word Christ. One missionary, he said, arrived in a village which had been without rain for 14 months and requested the people to pray to the Christian God. At this particular time, the dry season had ended and rain began to fall within two hours. The natives rejoiced. Returning to this village some years later, the missionary found a statue of himself in the form of an idol, erected at the gate of the village. Mr. Irishick told various stories pointing out the simple, child-like, superstitious nature of these people.

Cites Difference

"Americans are so different from the Indians," he remarked. "We are always in a hurry, have great ambition and never seem to have time enough to do all the things we feel we must be doing. The Indian, on the other hand, takes time out, and lots of it, to simply sit in front of a bowl of rice which he takes an hour to eat. Later, he will sit for hours smoking a little pipe and chatting or philosophizing with friends. An Indian will always be somewhat short, lethargic and brown no matter how deeply our western world tries to impress itself on India."

Ross Sachs, Gettysburg, sang "Art Thou Christ?" by O'Hara, and "The Holy City" by Adams. He was accompanied at the piano by Mrs. S. F. Snyder.

The nominating committee, headed by Mrs. Mark K. Eckert, presented the following slate of officers to serve for a three-year term: Regent, Mrs. C. H. Hetz; first vice-regent, Mrs. Harold Reuning; second vice regent, Mrs. L. S. Long; chaplain, Miss Elsie Eisenhart; recording secretary, Mrs. George H. Thrush Jr.; corresponding secretary, Miss Anna Cairns; treasurer, Mrs. Alexander Light; registrar, Mrs. J. Kermit Heretier; historian, Miss Margaret McMillan; press relations secretary, Mrs. Kenneth P. Hull.

GROWERS GET SPRAY LETTERS

Pre-pink and pink apple spray letters were sent Friday to Adams County fruit growers by the Adams County Agricultural Extension office in the court house.

"This is the crucial period for scab control," the letters point out. "Scab spores are mature and ready to cause infection during wet weather. Spray protection must be maintained if scab and frog-eye leaf spot infections are to be prevented."

"Missing sprays now usually means extra sprays after petal fall. Rosy aphids are plentiful in many orchards. Where DN (Dinitro) was not used in the dormant spray, the use of BHC is necessary in this spray for aphid control."

The letters given further directions on spray material to be used for both pre-pink and pink apple sprays.

NAME COMFORT STATION GROUP; DISCUSS PLANS

A special committee of the Associated Civic and Service Group was named Friday night at a meeting held at the YWCA to meet with borough officials on a proposed public comfort station in the center of the town.

Mrs. Guyon E. Buehler, president of the group, named N. A. Meligakes, Mrs. Elizabeth Hennig, Mrs. Forrest Craver, Leroy LeVan, and Edward B. Bullett on this committee.

The group heard comfort station drawings and plans explained by Wilbur L. Plank, Gettysburg engineer, and at the conclusion of the meeting inspected the basement of the old Citizens Trust building, Baltimore St., as a possible location.

Discus Leasing

Plans for leasing the basement of this building from its owner, Mr. Meligakes, were discussed informally, but no arrangements made or prices quoted.

Mr. Plank's blueprints were drawn, he said, with the expectation of utilizing Lincoln Square for the comfort station, but could be adapted to other locations. He said a comfort station 40 by 40 feet could be placed in any of the four segments of the square, with stairways at the curbline and the road station itself under the roadway. A preference was expressed for the southeast segment, in front of the YWCA.

The group adopted a motion to meet the first Friday of each month, with the next meeting on May 4. Attending Friday night's meeting were Mrs. Buehler and Mrs. Ida Roth, Woman's Civic Council; Mrs. Hennig and Mrs. Verna Myers, Soroptimist Club; Mr. Meligakes and John J. Slentz, Exchange Club; Mr. LeVan and C. Paul Cessna, Lions Club, and Mr. Bullett, Rotary.

COL. SHEADS IS IS SUV DINNER SPEAKER FRIDAY

The story of the Gettysburg National Soldiers Orphans home was told by Lt. Col. Jacob M. Sheads, history teacher at Gettysburg High School, at the annual Appomattox Day dinner held by the Gettysburg Camp of the Sons of Union Veterans Friday night at the GAR Post home on E. Middle St.

Prefacing his remarks by observing that the orphans home was one of the "aftermaths of Appomattox"—one of the establishments set up as a result of the Civil War—Professor Sheads described the finding of the body of a soldier at the corner of York and Stratton Sts. after the battle here. The dead soldier had in his hand a picture of his three children.

Much publicity was given the picture, in order to identify the body. Such interest was attracted that an orphans home for children was set up here as the "Gettysburg National Soldiers Homestead."

A building was constructed on Baltimore St., now divided into two houses and occupied by Harry Koch and H. S. Trostle. In operation for ten years, the Homestead finally was closed because of the cruelty of the superintendent, who used handcuffs and a dungeon to enforce obedience on the children. Among those whose investigation and action led to the removal of the superintendent were the members of the Gettysburg GAR Post, Sheads said.

The program opened with the singing of "America" and closed with the "Battle Hymn of the Republic" and the "Lord's Prayer." Vice Commander Wilbur Nett served as master of ceremonies for the program which followed an oyster supper.

MOTHER SAVES BABE FROM FIRE

LANDISBURG, Pa. — A heroic farm wife lowered her two-year-old son to the ground by rope then jumped from a second-floor window to escape from a weird series of accidents that resulted in fire gutting her home.

Mrs. Clifford Snyder, of nearby Kennedy's Valley, Perry County, was painting a second-floor hallway Thursday when the chain reaction started.

First, her step-ladder broke, upsetting cans of paint thinner, paint and kerosene. The inflammable liquids splattered against an oil stove in the kitchen below starting the fire.

Trapped in a bedroom, the quick-thinking mother lowered the child to the ground by a rope and then leaped to safety herself.

Mrs. Snyder suffered a fractured ankle in the fall but leaped to her feet and drove a tractor a half mile over country roads to summon her husband and the Landisburg Fire Company. The farm house was destroyed.

"THINGS TO DO"

Time for living swiftly passes . . . and so therefore we should do . . . things that make this lifetime brighter . . . things that make for skies of blue . . . we should count our priceless blessings . . . and be thankful for our lot . . . and when things do not run smoothly . . . we should weigh the things we've got . . . we should spend our time in helping . . . those less fortunate than we . . . and when someone needs a true friend . . . we should hear their urgent plea . . . and what better way can people . . . gain real happiness from life . . . than by helping those around them . . . who are caught in webs of strife . . . for by being kind and tender . . . we will benefit I know . . . and great blessings will be with us . . . when it is our time to go.

deadline to complete roads and camps within the receiving zone at Panmunjom before Tuesday. Doctors, nurses and corpsmen waited eagerly 10 miles away at Munsan's freedom gate for the influx of disarmed allies.

Scores of helicopters and ambulances were readied for the job of transporting them.

Most of the Allied sick and wounded will be rushed to their homes by plane immediately after they cross the line, if they are able to travel. The others will be taken to hospitals in Japan. The Americans among the latter will go to Tokyo and Yokohama.

The exchange must be completed within 20 days after it starts. It must begin not later than April 21 and can start earlier.

Armistice Held Possible
Besides the 120 Americans, there are 20 British, 15 Canadians, Turks, Greeks and Dutch and about 450 South Koreans in the group the Communists will release.

The Allies will give up 5,100 North Koreans and 700 Chinese at the rate of 500 daily. The Communist rate will be 100 men daily. Observers at this advance U. N. camp were openly hopeful that a completion of the sick and wounded exchange agreement will lead to a truce in Korea. They pointed out that if both sides could agree on ten points for exchanging disabled captives in less than four hours of conference time they should be able to agree on the remaining eight paragraphs of the armistice draft.

Officials agreed that Red peace overtures should be studied carefully. But they also agreed that if the Communists sincerely want an armistice they will get one.

GHS Wins Award In TB Seal Project

Gettysburg High School was one of nine in the state to receive state and national certificates of honor "for outstanding participation in the 16th annual Christmas Seal school press project."

The awards were made Thursday at the annual meeting of the Pennsylvania Tuberculosis and Health Society at Buck Hill Falls, Hanover and Carlisle High Schools were among the nine schools honored.

Health and welfare agencies should conduct a year-round publicity program instead of concentrating their efforts during a fund raising drive, William K. Ulerich, publisher of the Clearfield Progress, told the convention. He told the delegates there in a tendency for all publicity programs to follow the same pattern today.

Ulerich said that "so many times we are swamped with too many releases from local and national headquarters" at fund raising time.

GHS Loses Opening Contest 8-6 To Unbeaten Bubblers; Rohrbach and Fiscel Homer

The Gettysburg High School baseball team lost its opening game of the season Friday afternoon when it bowed to the undefeated Bolling Springs outfit 8-6 on the Bubblers' field.

Six runs in the fourth inning sewed up the decision for the fast-stepping Bubblers although the Warriors came up with five tallies in the fifth when they drove Gibb from the mound. The triumph was the ninth straight for Bolling Springs and their 18th in a row over two years.

Coch Howard Shoemaker's lads tallied first with a run in the second inning. George Bender opened with a single and was advanced on a sacrifice by Jay Sixes. Bender was nipped at third base on Bob Hixon's infielder bouncer to Igenfritz at shortstop. Don Dentler, who poled two doubles, sent Hixon over with the first of his two-base knocks.

Bolling Springs went ahead with two runs in the third. Wise led off with a walk and Igenfritz singled. An infield bobbie, a fly to the outfield and single by Clark produced the runs.

The Bubblers took complete command with six tallies in the fourth. Varano singled and after Roy Peterman popped to Dentler, Gibb singled. Wise doubled and Igenfritz singled. An outfield error, infield out and Ralph Peterman's single finished off the rally.

Warriors Stage Rally
Gettysburg finally came to life in the fifth and drove Gibb from the slab. With one out, Dentler cracked the second of his doubles and "Skip" Fiscel lashed out a homerun. Roth singled and George Penn was safe on an error. Bobby Rohrbach then smashed the second homerun of the inning, scoring Roth and Penn ahead of him. Smith replaced Gibb and kept the Warriors well under control thereafter. Fiscel's single in the final frame producing the only Warrior base runner against him.

Fiscel hurled the entire game for the Warriors and in addition to yielding nine hits, walked five. He also whiffed five.

Hanover Next Foe
The locals will open their South Penn League season next Friday when they meet Hanover, defending champions, on the Nighthawk field.

Bolling Springs will be host to East Berlin this afternoon.

College Senior To Be Married June 6

Miss Jo Ann Mathias, daughter of Mr. and Mrs. J. W. Mathias, Waynesboro, and a senior at Gettysburg College, has chosen Saturday, June 6, as the date for her marriage to George T. Hare, son of Mr. and Mrs. George W. Hare, Barrington, N. J.

The wedding will take place in the Lutheran Church, Waynesboro, at 3:30 p.m. and will be solemnized by Rev. Dr. B. Clinton Ritz. Hare graduated last year from the college where he starred in basketball and baseball.

Miss Mathias has chosen her college roommate, Miss Sonia Newlyn of Morton, to be her maid of honor. She will also be attended by two sorority sisters, Miss Josie Slifer, Gettysburg, and Miss Jacqueline Sneider, Harrisburg, as bridesmaids.

Raymond Phillips, Stratford, will be his brother's best man. Ushers will be James Tarman, York; Joseph Stevenson, Haddon Heights, N. J.; and William Ewing, Ocean City, N. J., fraternity brothers of Mr. Hare.

A reception will follow the wedding in the Anthony Wayne Hotel.

Mount-Loyola Tilts Delayed To Monday

Wet grounds resulted in the postponement of the Mt. St. Mary's-Loyola baseball game scheduled to be staged Friday at Baltimore. The tennis match between the schools was also postponed.

Arrangements were made to play both contests on Monday.

Billy Johnson, third baseman for the St. Louis Cardinals, established a World Series record for the most triples (3) in a seven game series. That was in 1947 when Billy was with the New York Yankees.

1-POINT LEAD FOR HOGAN GOING INTO 3RD ROUND

AUGUSTA, Ga. (AP)—Ben Hogan has collected a string of nicknames during his long career of championship golf, but none suited him better today than "Mr. Methodical."

Hogan was a study in concentration and precision as he put together a 32-37-69 over the Augusta National Club course for a 139 total and a one-stroke lead going into the third round of the 17th Masters Tournament.

Par for the 6,900-yard course with the sprawling, undulating greens is 36-36-72.

Iron Game Good
Hogan was particularly adept with his iron game as he made his bid for his second Masters' title.

His five under par 139 was one better than Bob Hamilton of Evansville, Ind., who matched Ben's second-round 69. Chick Harbert of Detroit, who took the lead the first day with a 68, and Ted Kroll of New Hartford, N. Y., tied for third with 141. Kroll had a 70, Harbert a 73.

Lloyd Mangrum of Niles, Ill., who picked up more cash on the winter tour than anyone else, pulled back into contention with a neat four-under 68 for a 142 total.

INJURIES HIT HORNET HOPES

PITTSBURGH (AP)—The Cleveland Barons have an edge in physical condition tonight as they meet the Pittsburgh Hornets in the fourth game of the American Hockey League's Calder Cup series.

The Hornets won a rugged encounter Thursday night, 5-2, but center Willie Marshall suffered a mild brain concussion when he was slammed into the boards and may not play tonight. The Barons hold a 2-1 edge in the series.

Hornet Coach King Clancy also listed defenseman Hugh Bolton as a doubtful starter. Bolton is suffering a recurrence of an old leg injury which troubled him much of the season.

If Cleveland wins tonight, Coach Fred (Bun) Cook predicted his Barons will wind up the series on their home ice tomorrow night. Should a sixth game be necessary it will be played in Pittsburgh Tuesday.

To Open Fisherman's Paradise On May 15

HARRISBURG (AP)—The State Fish Commission today set May 15 to July 18 for the 1953 trout season at its famed Fisherman's Paradise project near Bellefonte, Centre County.

The nationally-known one-mile stretch of Spring Creek is especially stocked with rainbow, brook and brown trout by the Commission. There, it is claimed, the speckled beauties fairly beg to be hooked. Any number can be caught but only one per angler can be killed each day. Any fish killed must be at least 10 inches in length.

Fishing will officially begin at 8 a.m. (EST) and close at 8 p.m. Only a Pennsylvania fishing license, plus a no-fee registration, is required to use the project. Spinners, spoons or swivels and wading in the stream are prohibited.

Pennsylvania's regular 107-day trout season opens next Wednesday.

Peoria, Ill., Wins In Biddy Basketball Race

SCRANTON, Pa. (AP)—Little Gary DuBois sank two free throws in the final minute of play last night to give Peoria, Ill., a 57-54 victory over Norristown, Pa., and clinch the world's Biddy Basketball championship.

With 55 seconds left to play, Norristown had climbed to within a single point of Peoria—55-54. But some overzealous guarding as Peoria froze the ball brought on the fouls and their conversion.

The game is for youngsters up to 12 years of age and is played on a reduced-size court with a lighter ball and lower baskets.

GIANTS' BATS BEAT INDIANS

By BOB HOOBING

AP Sports Writer

The New York Giants returned home today from their exhibition tour with Manager Leo Durocher feeling his team has completely recovered from the effects of a recent nine-game losing streak.

Durocher's National League pennant contenders, winners of seven of their last eight starts, can break even in their 22-game warm-up series with Cleveland by whipping the Indians today and tomorrow in New York.

New York's latest triumph was a 9-7 comeback effort against the Indians at Lynchburg, Va., yesterday featuring Giant batting power in which homers accounted for 12 runs.

Home runs played a bit part in the only other major contest not cancelled by the weather as Cincinnati's rejuvenated forces bombarded Detroit 7-4 at Cincinnati.

marches, a waltz and an overture. The school orchestra presented four numbers and then the Junior Band played five selections and accompanied the Fourth Grade song flutists in the final number of their group of three selections.

Majorities Perform

Climaxing the evening's program was a group of nine numbers by the uniformed Senior High School Band. Opening with "World Events March" and "Student Prince Overture," they followed with "Home, Sweet Home" with a saxophone solo part by Henry Fox. After "On the Square March," the band played "Pilgrim's Chorus" under the baton of Student Director Scott. After the rhythmic "Mother Goose Jumps," the band furnished the music accompaniment for routines by Junior and Senior majorettes.

The band's rendition of "I'll Take You Home Again Kathleen" featured special parts by John Coshun on the baritone horn and Samuel Scott and Roland Keller on trumpets.

The concert concluded with "Gypsy Baron" by Strauss.

Lot Of \$64 Questions Await Answers As Major Leaguers Open Season On Next Monday

NEW YORK (AP)—Will the New York Yankees make it five in a row? Can Brooklyn lick the seven-year National League jinx and successfully defend its championship? Will Stan Musial cop his seventh batting title? Is Joe Black merely a one-year wonder?

How about Jackie Robinson? Where will he play now that he has lost his second base job to rookie Junior Gilliam? Is Mickey Mantle really the "new" Joe DiMaggio? Will home run slugger Ralph Kiner bounce back or will he be traded? Will the Braves put Milwaukee on the map and vice versa?

These and other questions await answers as the 16 major league teams await the opening of the season next Monday and Tuesday.

300,000 For Openers
Approximately 300,000 spectators are expected to attend the 10 openers, two of which will take place Monday afternoon.

In special inaugurations, Washington will host the Yankees in the American League and the franchise-shifted Braves will be guests of Cincinnati in the National. Right-handers Bob Porterfield (13-14) for the Nats and Allie Reynolds (20-8) for the Yankees will be the starting pitchers in Washington. Bud Podbielniak (4-5) for the Reds and Warren Spahn (14-19) for the Braves will oppose each other in Cincinnati. Each game is expected to have a sellout crowd of 30,000.

All teams will swing into action the following day. The largest crowd—some 55,000—is expected at Cleveland where the improved Chicago White Sox clash with the Indians.

Baseball-hungry Milwaukee, with its brand new five-million-dollar stadium packed to its 36,000 seat capacity, will celebrate its return to the major leagues, taking on Eddie Stanky's St. Louis Cardinals. Some 40,000 are expected to see the Philadelphia Athletics-Yankee game at New York where Alex Kellner, the strapping A's southpaw will match slants with right-

hander Vic Raschi, who long has been a nemesis to Philadelphia batters.

Crowds of 15,000 are counted on at St. Louis to see the Browns and Tigers, and at Boston to watch the Senators and Red Sox. Ned Garver will pitch for the Tigers against his former mates. He will be opposed by Duane Pillette. Walter Masterson will hurl for Washington against southpaw Mel Parnell and his ex-Red Sox mates.

A total of 111,000 is expected to take in the four National League openers with 25,000 at Chicago, Brooklyn and Philadelphia.

Four Pirate Rookies
Cincinnati will have veteran Kenny Raffensberger on the mound against the Cubs, and righthander Bob Rush is slated to hurl for Chicago.

Pittsburgh may field four rookies—first baseman Paul Smith, shortstop Dick Cole and outfielders Felipe Montemayor and Frank Thomas against the Dodgers at Ebbets Field. Murry Dickson, the veteran righthander, will be on the mound. Carl Erskine will hurl for the Brooks, who will present their rookie find Junior Gilliam, at second base, with Jackie Robinson at third.

Robin Roberts, winner of 28 games, will face Larry Jansen of the Giants in Philadelphia. The Giants will be without rookie third baseman Daryl Spencer, who suffered a fractured cheekbone when hit by a pitched ball. The Phils will show off first baseman Earl Torgeson, obtained from Boston in the swap for Russ Meyer.

OUR 96th

ANNIVERSARY

NINETY-SIX YEARS ago today The Farmers and Mechanics Savings Institution of Adams County opened for business on the southwest corner of what is now known as Lincoln Square, on the same site which The First National Bank of Gettysburg now occupies. The far-seeing founders of this bank applied for and received a National Charter (No. 311) on March 11, 1864 — the first bank in Adams County to receive a National Charter.

During this span of nearly a century, particularly in the half century from 1900 to 1949, great scientific growth and development occurred; in fact, it has been conservatively recorded that this progress right here in these United States was greater than the world experienced in the previous 5,000 years.

From the slow Pony Express to the fast-flying Jet Planes of today, we are now witnessing a form of transportation that challenges the speed of the earth's turning. In the same period, the total number of miles of telephone wires increased 36 times. Witness the development of Radio and Television and now their adaptation to commercial uses. Banking, too, has kept pace with these myriad developments. In the half-century from 1900 to 1949, total resources of all banks in the United States increased 15 times while total deposits of these banks increased 18 times.

These are only a few out of the many, taken from the records of progress established right here in our own Nation by a liberty-loving, God-fearing people, united under one flag and dedicated to the principle that right makes might. In all of this, the people of Adams County and The First National Bank of Gettysburg have taken their part for they have been privileged to live through and be a part of this thrilling era of development and progress.

It is fitting then to point with deep humility and honest pride to that 11th day of April, 1857, when The Farmers and Mechanics Savings Institution of Adams

County opened its doors for both a deposit and a lending business, and to the part this bank has since taken in this era of progress, more especially as measured by its growth in this period of time.

From a statement showing total resources on January 2, 1865, of \$254,540.17 to a statement on December 31, 1952, showing total resources of \$6,480,480.36, exclusive of Trust assets that now exceed \$1,000,000.00, an increase in size of more than 25 times is recorded in 96 years; and equally significant, the American Banker of New York City, a National Financial Daily, wired The Gettysburg Times that The First National Bank of Gettysburg, based on a comparison of deposits December 31, 1951, with deposits December 31, 1952, gained 315 places in its standing among the 3,500 largest banks in the United States.

In all of this progress and development, one thing has remained constant at this bank. Through all the generations that have come and gone since 1857, the same will to serve has prevailed. Although 96 years have passed, the same sound, constructive banking service, the same alertness to the needs of the people and the same old-fashioned courtesy of a by-gone era continue to characterize the modern service that thousands of people enjoy today through the trained and friendly staff of people at The First National Bank of Gettysburg.

This growth would not have been possible without the faith, the support and the patronage of you, the people of Gettysburg and Adams County. This Anniversary announcement is dedicated to you. It is our tribute to you and your loyalty. It is one way in which we can thank you for your part in this development. The only other way we can express our appreciation to you is to assure you that, as each year rolls by, we will earnestly endeavor to render you an even more perfect, more complete banking service.
